

Training Courses December

2024

Introduction to ISO 45001:2018 Requirements

Dates: 08 -11 December 2024.

Time: 09:00 a.m. - 02:00 p.m.

Fees: 250 K.D.

Objectives: At the end of the course, participants will:

- Understand the concept of Safety Management Systems and its dynamic and evolving nature.
- Be aware of the international standard ISO 45001:2018 and how it compares with the OHSAS 18001:2007.
- Understand the standard's requirements.
- Be able to identify potential implementation solutions (schemes/processes/tools) aligned to quality or environmental management systems.

Prerequisites: Good English language skills and basic understanding of HSE processes.

Instructors: Dr. Massimiliano Porcelli, and Dr. Yesudhason Poullose.

Participants: The course is intended for laboratory and workshop supervisors as well as research and maintenance staff members.
