Guidelines for preparing extended abstracts:

- **Title of paper:** type in bold in upper-case letters (= full capitals) and the scientific names in the title in italics; leave two lines between title and author(s).
- **Author(s):** the first letters of both first and last names must be capitalised; leave one line between author(s) and affiliation. Use * after the presenting author.
- **Address and Email:** (in point 9) leave two lines between affiliation and text. Only the e-mail address of the contact person should be provided.
- **Headings of sections:** type bold (not in full caps); space above should be two single lines for the first section header and one and a half lines above all the other section headers; space below section header should be half a line (or 6pt) only.
- **Text:** typing must be single spaced; space between paragraphs can be half a line (or 6pt); paragraphs should begin flush with the left margin of the text, not indented.
- **Page size:** standard A4 paper (210mmX297mm) (portrait)
- **Margins:** left margin=4.2cm; right margin=4.2cm; margin top=2cm; margin bottom=4cm.
- **Font:** Times New Roman 10 point
- **Length:** Extended abstracts should be two pages. They may include different sections

such as introduction, materials & methods, results, discussion, conclusions and references (in limited number), as well as tables and figures (if relevant only).

- **Photos, Figures and Tables:** should be included if relevant. They should be reduced to the appropriate size to fit on the page and should be clearly readable. The style is according to KISR guidelines for technical reports.
- **Style:** Only scientific names should appear in Italics, e.g. *Sparus aurata*. Do not use tabs in text or tables; do not use footnotes nor endnotes; do not use uppercase in references. Separate sentences by a full stop followed by one space only.
- Use only the **metric system**. Abbreviate units of measure according to the "**Système international d'Unités (SI)**" e.g. kg, g, mg, µg, m, cm, mm, µm, l (litre), ml, d (day), h (hour), min, s (sec).
- **References in text:** list the entire references in numerical order. The references style is according to KISR guidelines for technical reports.
