

ISO 9001:2015 QMS Requirements and Implementation

Dates: 13 -17 November 2022.

Time: 09:00 a.m. - 01:00 p.m.

Fees: 250 K.D.

Objectives:

At the end of the course, participants will be able to:

- Understand the modern concept of Quality Management and its necessity.
- Realize the international standard ISO 9001:2015 and its importance.
- Identify the requirements of the standard and their fulfillment.
- Comprehend the processes of designing, implementing, and monitoring (internal audit) of the Quality Management System.
- Recognize the steps involved in the certification process.

Prerequisites: Awareness of ISO standards is preferred.

Instructors: Dr. Tariq Mahmood Khokhar, Dr. Mamdouh A. A. Hammouda, and Dr. Yesudhason Poullose.

Participants: The ISO 9001:2015 is applicable for all types of organizations and functions; including research activities, laboratory activities, administration and support functions. The course is proposed for all individuals who are interested to acquire an understanding, and working knowledge of the Quality Management System.
